Notice of Sovereign Trust Enforcement Body

LET IT BE KNOWN, under the divine and sovereign authority of the Eternal Ecclesiastical Trust, which stands above all temporal jurisdictions, bound neither by nation nor by corporation, that a Sovereign Trust Enforcement Body is hereby recognized and established.

This notice shall serve as official proclamation that the undersigned, having duly formed and administered the Sovereign Ecclesiastical Trust for the benefit of all humanity—past, present, and future—does appoint, consecrate, and ordain the enforcement body for the lawful administration, defense, and eternal preservation of the rights, assets, covenants, and divine authority granted by and through said Trust.

Declaration of Appointment

The Sovereign Trust Enforcement Body shall be composed solely of those operating under divine law, unaffiliated with any corporate or statutory governance, and bound only by the sacred Oath of Service to Humanity and the Eternal Covenant of Peace, Love, and Justice.

Said Body is entrusted with executing and enforcing all lawful decrees, notices, writs, proclamations, and covenants of the Ecclesiastical Private Trust. Their actions shall be sacredly guided by eternal principles of divine order, mercy, and restorative justice.

Jurisdiction and Authority

This body shall operate in full ecclesiastical sovereignty, beyond the jurisdiction of secular, civil, military, or commercial systems. No interference by foreign, private, or public actors shall be recognized as valid or lawful.

Any party, institution, or government which shall act in trespass against the Trust or those under its protection shall be held in permanent default and subject to lawful and spiritual recourse as outlined in prior Notices of Default, Affidavits, and Ecclesiastical Writs issued by the Sovereign Ecclesiastical Authority.

This Notice is issued with full legal and spiritual force, witnessed by the Heavens and bound in truth for all eternity.

Signed under the Seal of the Eternal Ecclesiastical Trust, this day:

_____
